

Cancellation Policy Massage & Bodywork Therapies

A 24-hour notice is required for cancellation of massage and bodywork appointments. If you are unable to give us 24 hours' notice, a charge of \$40 will be due at your next massage and bodywork appointment. If we are able to fill your canceled slot, the fee will be waived. You are free to call and check if the slot was filled. If it has not been filled, you can still come in for your massage or offer that slot to a family member or friend, since the \$40 massage fee will still apply.

I have read and understand the 24 hour cancellation policy.
